**Holiday Inn in the Walt Disney World® Resort**  
**Introduces the Freedom from Fees Package for the 50+ Traveler**

ORLANDO, FL --- (July 22, 2011) “Adult teenagers” are what the travel industry is calling those in the 50+ age bracket who are eager to have a carefree and let-loose getaway. With summer more than half-way over, now is the time to start planning for a trip to Orlando when the kids will be back in school and the parks are full of music, great food and merriment.

**Smart travelers of all ages just want to have fun and enjoy a getaway that is free of surprises and full of real value too. With this focus the Holiday Inn in the Walt Disney World® Resort is introducing the Freedom from Fees Package. Rates start at \$99 per night, with a two night minimum stay.**

“There is nothing better than meeting a guest at our hotel who tells me they just feel like kids when they are here. And some of the time they are here without kids!” says Anthony Johnson, regional director of operations and general manager of the Holiday Inn in the Walt Disney World® Resort, located squarely in the center of Orlando’s tourism corridor and within walking distance of Downtown Disney, restaurants and shops.

“The new industry term is adult teenagers; what could be better than to enjoy life, no matter what age you are? We just want to be sure that they leave our hotel feeling like they got a great value too,” said Johnson.

**The Freedom from Fees Package includes a long list of free items** including: free breakfast for two adults daily, free parking, free shuttles to all Disney parks and Downtown Disney, free Wi-Fi, free in-room coffee, free safe and free in-room mini refrigerator are just some of the value items.

And, there are **no add-on fees**. No resort fee, no charge for DirecTV, and no charge for local or 800# calls.

“And with value comes service, one cannot exist without the other,” continued Johnson. “We are so proud of our Trip Advisor ratings, which rank us among the best. Most important to us is that these rating come right from our guests, and we have to earn them every single day.”

**Rates start at \$99 and these free amenities apply to all room types of the package on all dates** through December 20, 2011. Priority Club Points will be given.
